

# Mother Earth Water Walk

# 2008

*"Thirty years from now, an ounce of drinking water will cost the same as an ounce of gold if we humans continue with our negligence."*

The Water Walkers and their supporters will be walking around Lake Michigan to raise awareness concerning the importance of keeping our waters clean.

**Place:** Manistee, Michigan

**Date:** April 26 2008

**Time:** Sunrise

Three Fires Society
