### Call for Workshops

**Submission Deadline: Monday, June 21, 2010**

You are invited to submit workshop proposals for concurrent sessions to be delivered at the Michigan Indian Day Event on Friday, September 24, 2010 at the Hannah Community Center in East Lansing, Michigan.

The purpose of this conference is to stimulate educational dialogue, and strategize about interventions that will help close the gap in health disparities among the American Indian/Alaska Native communities.

The conference theme will be *Strengthening Health, Strengthening Families: Empowering Indigenous Communities*. In keeping with the conference theme, the committee will pay particular attention to those workshops submitted that address health disparities and health inequities of the American Indian/Alaska Native community. Health is broadly defined, therefore creative ideas that benefit the health and wellness of Michigan Indian citizens will be solicited.

To submit a proposal, please complete the attached application and abstract. Completed proposals are due to Ashley Harding by 5pm on **Monday June 21, 2010**. Proposals may be submitted electronically or hard copy, but please ensure adequate time for mail processing.
