ORDER

The proposed intervenor appeals the denial of its motion to intervene and moves for expedited briefing and consideration of the appeal, asserting that the circumstances warrant such treatment. The defendant responds in opposition to the request arguing prejudice in any shortening of its briefing period.

The motion to accelerate the current briefing schedule and expedite submission is DENIED. The present briefing schedule remains in effect, and on completion of briefing, the case will be submitted to the court's calendar as next available in the normal course.
