Organization description (optional)	Shute, Mihaly & Weinberger LLP is a law firm specializing in government, land use, renewable energy, and environmental law. Since 1980, the firm has provided public agencies, non-profits, tribes, and community groups with the highest quality legal representation, offering an array of litigation, regulatory, counseling, and planning services. Known for its commitment to promoting environmental and community values, SMW is at the forefront of the major land use, energy, and development issues facing California today.
Position description: What kind of work can the student expect to be assigned?	The firm's clerkship program offers law clerks valuable legal experience as well as a wide-ranging and realistic view of the firm's practice. Clerks are an integral part of the firm and often work on assignments that would otherwise go to junior attorneys. The assignments provide broad exposure to the firm's practice areas and the opportunity to work with many of the firm's attorneys. We also strive to engage clerks in our practice by

	involving them in ongoing projects, client meetings, and hearings. During the summer, the firm organizes various social events with the attorneys and firm staff.
