

Tribal Government Attorney

Big Fire Law & Policy Group LLP is a prominent tribal law firm providing legal representation and advocacy in a broad range of services, with an emphasis in tribal law and federal Indian law serving tribal nations, tribal business enterprises and tribal organizations throughout the United States.

Big Fire Law & Policy Group LLP is seeking candidates with a minimum of 3-5 years of tribal government experience to join our Winnebago, Nebraska office. The right candidate will provide guidance to Tribes and tribal entities on a variety of matters including agreements and contracts, advising on impact of pending legislation, drafting ordinances, advising on policies and procedures, guidance on land management, and provide in-person support as needed during Tribal Council, committee, and other meetings.

Requirements

- Active admission to any state bar, with the ability to become licensed in Nebraska
- J.D. from an ABA accredited Law School
- Minimum of 3-5 years of experience in tribal government, contracts, land management, ordinances, and policies and procedures
- Experience working with Indian law or tribal courts
- This is in-office position which requires attendance in our Winnebago, NE office as well as in person meetings and client interaction
- Attention to detail and demonstrated ability to follow standard procedures
- Ability to effectively interact, orally and in writing
- Self-starter with the ability to manage multiple competing priorities with a “roll up your sleeves” and team-oriented attitude
- Exceptional organizational and time management skills and adhering to strict deadlines
- First-rate academic credentials and references
- Superior research, writing and analytical skills and technology oriented
- Commitment to participating in the Firm’s marketing and public relations initiatives, including joining associations, securing leadership roles, and conducting webinars, seminars, and speaking engagements

Preferred

- Experience with Microsoft Office and cloud-based computer environment
