Primary Narrative

**MAV:**

There was footage of the following captured on my department issued body-worn camera.

**Investigation:**

On 7/15/2022, around 1000 hours, I was working patrol and was the acting watch commander. I was contacted by DA investigator Casada who wanted to advise me of a situation that would be coming to patrol.

Casada advised there was a native tribe at [REDACTED] that had a civil matter. Casada advised me the representative for the tribe was a man named Cary Lee Peterson, who the DA's office had worked with in the past. Casada also informed me that the issue coming to patrol was not criminal, but civil, and pertained to someone living on the Indian land located at [REDACTED].

After speaking with Casada, I was contacted by the Sheriff's Office front desk, advising Cary was in the lobby and wanting to speak with a deputy. I responded to the lobby and contacted Cary, who was with a Kanyon Sayers-Roods. Cary identified himself as the Chief Justice of the Tribal Court of the Costanoan Indian Tribe, and Kanyon identified herself as the president of the Tribal Council. Cary provided me with a document containing a Federal Court order, as well as a Tribal Court order.

The Federal order indicated Kanyon was the plaintiff, and a Marlene Rita Machado was the defendant. The conclusion of the order dismissed the claims, advising Kanyon to file two claims with the State court, and to have the Tribal Court deal with the civil claim if they had jurisdiction.

The Tribal Court order also indicated Kanyon as the plaintiff, and Marlene as the defendant. This order stated Marlene was prohibited from the Indian land at Indian Canyon, and the order was signed by Cary.

Cary asked me to have deputies enforce the eviction of Marlene and arrest her if she refused. I advised Cary that if this was Tribal Court jurisdiction then Deputies would not be enforcing the eviction of Marlene. Cary stated he understood, then told me he would be the one to remove Machado, and her property, by force if need be. I informed Cary that Deputies would be enforcing our laws, which granted Machado certain rights, like the right to privacy and protection from unreasonable search and seizure. I explained to Cary that Marlene would need to leave on her own, and that Deputies would be present to ensure it remained civil. Cary stated he understood. I informed Cary I was unsure if Deputies had authority on Indian land and requested he standby while I investigated.

Prior to Cary leaving the Sheriff's Office, I looked up 28 US Code 1360(a) which I interpreted to give authority to state enforcement, like the Sheriff's Office, to enforce civil causes on Indian land. I advised Cary that Deputies would in fact respond to do a civil standby.

I was later provided a digital copy of the order Cary provided and it was downloaded to the Share Drive.

Around 1245 hours, Deputy Gluhan and I responded to [REDACTED] and contacted Cary and Canyon. They led us to the property line where Marlene was sitting in her car. Cary presented Marlene with the orders he previously provided to me, resulting in an argument between Marlene and Cary & Canyon.

I interjected in the argument and explained to Marlene the typical eviction process, enforcing the eviction order. Marlene stated she would comply with the Tribal Order, but advised Cary was a 'fraudster.'

We followed Marlene onto Indian Canyon property where she collected her personal property and subsequently left. Deputy Gluhan and I left the scene as well, without incident.

Cary called the Sheriff's Office later that day to ask about towing Marlene's trailer that was left on the property. I spoke to Cary, via phone, who asked if the county had a storage location for the trailer as the only tow company he could find that would tow the trailer did not have a storage yard. I informed Cary the county did not have such a storage yard. Cary then stated he would abandon the trailer on the side of the road in the county, or in the parking lot of a government building so he wouldn't have to deal with it. I informed Cary that if the trailer was abandoned in the manner he described, he could be liable for the recovery and storage fees of the trailer due to this conversation.

On 7/22/2022, around 1700 hours, Sergeant Penney and I were dispatched for a civil standby at 1 Indian Canyon Road. Upon arrival, we contacted Marlene who requested a civil standby as she returned to her trailer on the property. Sergeant Penney and I followed Marlene and she returned to her trailer on the property without incident. I spoke to Marlene and explained that the Sheriff's Office's position was one of peace keeping, not taking either her side or the side of the Tribal Council in the civil matter.

Sergeant Penney and I left without incident.

**Supplement 01**

~ This supplemental report will cover additional investigation and requests charges be filed against Cary Lee Peterson. ~

**NARRATIVE:**

During the investigation, it has been determined that the Costanoan-Chualar Tribe of Indian Canyon in Hollister is not a federally recognized tribe, Cary Lee Peterson was practicing law after being unauthorized to do so, and although there was a parcel listed as "Indian Trust Patent" at Indian Canyon, the parcel was not an Indian Reservation.

On 08/25/22, I spoke to Bureau of Indian Affairs Special Agent Christopher Lorenz. Agent Lorenz indicated that the Costanoan-Chualar Tribe was not a federally recognized tribe; therefore, the Costanoan-Chualar Indian Tribal Community of Indian Canyon Tribal Court did not exist. Additionally, I attempted to locate the Costanoan-Chualar Tribe on ncsf.org (see attached), under federally recognized tribes, specifically in California, and the tribe was not listed.

Cary was practicing law in California when he was not authorized, and his unauthorized order of restraint deprived Marlene Machado of her property. Furthermore, Cary interpreted the US Federal Judge's Dismissal Order as tribal recognition, and subsequently created a "Tribal Court" with him being the Chief Justice. Cary had identified himself as the Chief Justice of Tribal Court, Chief Counsel, and the Chief Advisor. A record check of Cary Lee Peterson was completed, and he was found to be on federal probation for fraud (US Probation Officer Anthony Cardenas).

Cary contacted Netcom numerous times, acting as the Chief Justice, when he requested law enforcement at Indian Canyon.

Additionally, the lands in and around "Indian Canyon" were investigated. There was one parcel designated as "Indian Trust Patent", but it was not an Indian Reservation, and there has been no authority/supporting documentation granted to allow the creation of tribe, tribal court, or tribal police on this parcel.

Based on the aforementioned circumstances, it is being requested that the charges of 115 PC, 470(c) PC, 472 PC, and 532(a) PC be filed against Cary Lee Peterson.

BURLEY.K**Supplement 02****MAV:**

There is body-worn camera and in-car camera footage for the incident. The incident was captured on my BWC. There is in-car camera footage from vehicle P-02.

**INVESTIGATION:**

On 08/11/2022, I was the Detective assigned to conduct additional follow-up on this case. Upon speaking with Peace Officers from the San Benito County Sheriff's Office and reviewing Official San Benito County Sheriff's Office Reports, I authored a Probable Cause Arrest Warrant for Cary Lee Peterson [REDACTED]. On 08/19/2022, the Honorable Judge Thomas Breen signed and authorized the Arrest Warrant.

To further the investigation, I authored a Search Warrant for [REDACTED] [REDACTED] the address where Cary was residing. On 09/08/2022, the Honorable Judge Patrick Palacios signed and authorized the Search Warrant.

On 09/14/2022, at approximately 1300 hours, San Benito County Sheriff's Office personnel, Special Investigations Unit Task Force Agents (TFA), San Benito County District Attorney's Office personnel, and Federal Bureau of Intelligence personnel held an operational briefing at the Sheriff's Office prior to execution of the Search Warrant.

On 09/15/2022, at approximately 0700 hours, personnel of the before mentioned operational team responded to the area of [REDACTED]. All personnel were wearing clearing identifiable law enforcement clothing and equipment. Additionally, I was driving a marked San Benito County Sheriff's Office patrol vehicle (#02).

At approximately 0830 hours, Cary was observed getting into the driver seat of a black Lincoln SUV with California license plate [REDACTED], that was parked in the driveway of [REDACTED]. Also, an unknown white, male adult exited the residence and entered the front passenger seat of the vehicle. The vehicle exited the driveway and proceeded to Cottle Road from Utica Lane. I observed the black Lincoln SUV on Cottle Road just south of Santa Teresa Blvd. I proceeded to position my patrol vehicle directly behind the vehicle and conducted a traffic enforcement stop on the black Lincoln SUV. The Lincoln SUV pulled to the northbound shoulder of Cottle Road, in the middle of the Cottle Road - Hwy 85 overpass.

I exited my patrol vehicle and approached the driver side door of the vehicle. I contacted the driver who identified himself with an Arizona Driver License as Cary Peterson. I recognized the driver to be Cary from prior law enforcement photographs. I requested Cary exit the vehicle and I escorted him to the front of my patrol vehicle. At this time, the operational team arrived at the location of the traffic stop.

Cary was placed in handcuffs, ensuring they were the proper fit and double locked. I advised Cary we had a warrant for his arrest and a search warrant for his residence. I escorted Cary to the back of my patrol vehicle and secured him in the backseat. Upon conducting a records check of Cary, dispatch confirmed Cary had a no bail arrest warrant.

The passenger of the vehicle was identified by his California Driver License as Lee Allen Kuck [REDACTED], and Lee was detained in handcuffs. Lee advised he was on Post Released Community Supervision (PRCS), and he had recently been released from custody. We conducted a records check of Lee and dispatch advised Lee was on PRCS and had a valid driver license.

The operational team searched the Lincoln SUV but did not locate any items of evidentiary value. Documents were located in the vehicle stating the vehicle had been rented on 09/13/2022, by Cary from Alamo at the San Jose Airport. In the vehicle, I located Cary's cellphone and wallet which were then secured in the trunk of my patrol vehicle.

I contacted Cary and inquired on if he wanted us to turn custody of the vehicle over to Lee or if he would rather us tow the vehicle. Cary advised Lee works for him, this is work related thing and the vehicle is supplied by his work, so he authorized Lee to take possession of the vehicle. Cary also advised he is a tribal government official, that the vehicle is related to his job, and Lee could take possession of the vehicle because Lee works for him.

TFA Martinez took interior and exterior photographs of the vehicle. The keys to the vehicle were located in the center console. There were several keys on the key ring, so we removed the keys for the Lincoln SUV from the key ring. The additional keys on the key ring were secured in the trunk of my patrol vehicle. I advised Lee that once photographs were complete of the vehicle, the vehicle would be released to his possession, and he would be free to go.

Lee advised he is the Interior Director for the Native American Ceremonial Land and advised Cary was the Chief Justice. Lee advised he has known and worked for Cary for approximately six months. Lee has yet to be paid for any of his services rendered for the tribe. Lee has known Kanyon and her mother for over 25 years and has done work for them in the past. Lee advised he was supposed to sign a contract in August regarding his employment but has yet to do so. Lee also advised there should be no one else in the residence. I removed Lee from the handcuffs and Lee was released without incident.

TFA Martinez inquired of Cary if there was a key to the residence on the key ring. Cary advised the door was a keyless entry and he did not have a key to the residence. Cary would not provide TFA Martinez the code to access the house.

At this time, the operational team responded to [REDACTED] to serve the Search Warrant for the residence. Upon arrival, I contacted Cary and advised him of his Miranda Rights, verbatim from my department issued Miranda Card. Cary expressed that he understood his rights.

Cary was adamantly opposed to allowing us access to the house and continued to assert we had an illegal search warrant and an illegal arrest warrant. After several minutes of trying to find the least intrusive and destructive way into the residence, Cary would still not tell us how to enter the house.

Upon inspection of the front door, it was found to be unlocked. The operational team announced our presence prior to making entry into the residence. The operational team cleared the residence and did not locate any persons inside the residence. No damage was done to the front door of the residence to gain entry. **For full details on the search of the residence and collection of evidence refer to TFA Martinez's supplemental report.**

After securing the residence, DAI Mingus and I transported Cary to the Santa Clara County Jail and booked him for the San Benito County Arrest Warrant #NC-22-00002. Cary was released to the custody and care of the Santa Clara County jail staff.

Throughout the entire incident, Cary continuously made spontaneous statements. Cary adamantly stated we were out of our jurisdiction, and we illegally arrested him. Cary stated I was beyond the scope of my employment because I failed to show him the arrest warrant within two hours of his apprehension. Cary stated we would be seeing each other again and it will be at a hearing where I am testifying.

Cary stated numerous times that he was a federal government official and that the tribe he works for is a federally recognized tribe. Cary stated a U.S. District Court gave him the title of Chief Justice for the tribe not himself. Cary stated the Sheriff's Office has no authority of tribal land to make arrests or enforce laws. I asked Cary why they needed the Sheriff's Office to enforce an eviction then. Cary advised the reason they needed the Sheriff's Office to enforce the eviction is because it's the legal California law. Cary advised he went to federal court to get the injunction because the tenant was a non-Indian. Cary then stated the federal court could not grant the injunction, only the Tribal Council had jurisdiction to grant the injunction. Cary stated he had jurisdiction on all 154 acres of Indian country. Cary advised he was not a California attorney but a "DC" guy, meaning he was subject to federal Indian law. Cary stated he does not practice law, he has attorneys for that.

Cary threatened litigation on several occasions and stated I had better get a good attorney for the "war" that is coming. Cary stated he was done with "war" but that we have left him no choice now. Cary stated he has gone up against the FBI before and won, so he is not threatened by San Benito County.

Cary also implied that the arrest was racial motivated and was a warrantless arrest. Cary did not believe I was a racist, but that the media was going to pick it up really quick that a white cop arrested a black man. Cary stated I never had a warrant and he believed I never had one at the time I pulled him over. Cary talked almost the entire time he is was in our custody. This is a very brief summary of the statements made by Cary. **For full details on Cary's statements, refer to the BWC footage from the incident.**

**MAV:**

MAV footage for the traffic stop and search warrant service on 09/15/2022 was captured on my department BWC.

**SUMMARY:**

This supplemental report covers surveillance of [REDACTED] and the Arrest/Search Warrant service of Cary Lee Peterson on 09/15/2022.

**BACKGROUND:**

On 08/19/2022, detectives with the San Benito County Sheriff's Office filed a Ramey warrant for Cary Lee Peterson [REDACTED].

Through investigation, I discovered there were multiple variations of Peterson's name and date of birth linked to him. Peterson had no California Driver's License; however, he did appear to have an Arizona Driver's License.

I discovered Peterson's address appeared to be transient, and his address history included several residences in several states.

Through a criminal history check, I discovered Peterson was on federal probation for a securities fraud and false certification conviction.

Peterson's federal Probation Officer Specialist, Anthony Cardenas, stated that [REDACTED] was Peterson's home address. Cardenas also stated that Peterson lived alone at [REDACTED] except for when Peterson's child would stay over. Cardenas also provided a photograph of Peterson.

I contacted San Jose Police dispatch and checked the call records at [REDACTED]. The dispatcher provided two different calls for service in April 2022. Peterson was contacted during both calls for service. Peterson stated his home address was [REDACTED] Lane in both calls for service. Peterson also provided his personal phone number, [REDACTED] to the San Jose Police Officers.

On 09/08/2022, The Honorable Judge Palacios (San Benito County) signed a search warrant for [REDACTED].

**SURVEILLANCE:**

On 08/25/2022, I was working as a plainclothes detective, in an unmarked vehicle. I was conducting surveillance at [REDACTED] August 25, 2022.

All doors to the residence, including the garage door were closed.

At approximately 1400 hours, I observed the garage door open, and a male, matching Peterson's description and photographs, exited the garage and walked to the street. Peterson then walked back into the garage and closed the garage door. Approximately two minutes later, Peterson opened the front door to the residence and walked into the front walkway of the residence. Peterson then turned and walked back into his house.

On 09/04/2022, I again observed Peterson exit the front door of [REDACTED]. Peterson walked from the front door to a white Volkswagen SUV [REDACTED] parked in the driveway.

**INVESTIGATION:**

On 09/14/2022, I conducted a briefing for the Arrest Warrant and Search Warrant service of Peterson and [REDACTED]. This briefing was attended by the following law enforcement personnel:

- Sergeant Canez (San Benito County Sheriff's Office)
- Detective Burley (San Benito County Sheriff's Office)
- Task Force Commander Westphal (Unified Narcotic Enforcement Team)
- Task Force Agent Tolentino (Special Intelligence Unit)
- District Attorney Investigator Mingus (San Benito District Attorney's Office)
- District Attorney Investigator Casada (San Benito District Attorney's Office)
- Special Agent McWhirter (FBI) [Via Telephone]

During this briefing, Special Agent McWhirter stated that two additional Special Agents, Carpenter (FBI) and Kay (FBI) would be assisting the warrant service.

Sergeant Canez was not available for the warrant service due to injury.

I later booked the signed Operations Plan into evidence at the San Benito Sheriff's Office.

On 09/14/2022, I authored a search warrant for the ping location of the phone number, [REDACTED] (carrier: Verizon). The Search Warrant was signed at 1645 hours on 09/14/2022. I submitted the Search Warrant to Verizon.

I later booked the signed Verizon Search Warrant into evidence at the San Benito Sheriff's Office.

On 09/15/2022, at approximately 0430 hours, Peterson's phone pinged at [REDACTED] Lane. Peterson's phone pinged in the same location up until the traffic stop and arrest of Peterson.

At approximately 0500 hours, I called dispatch (Santa Cruz Regional 911) to confirm Peterson's Ramey warrant was still active. The dispatcher stated that Peterson's Ramey warrant was still active.

At approximately 0600 hours, the personnel mentioned during the briefing responded to [REDACTED]. All personnel were in fully identifiable uniform from their respective agencies.

I arrived at [REDACTED] and observed a black Lincoln SUV [REDACTED] parked in the driveway.

At approximately 0830 hours, Peterson walked out of [REDACTED], along with an unidentified male, and got into the Lincoln SUV. Peterson entered the driver seat, and the unidentified male entered the passenger seat.

**TRAFFIC STOP:**

Peterson drove away from the residence, in violation of VC 12500.

Shortly after, Detective Burley stopped the Lincoln SUV via traffic stop. Refer to Burley's Supplemental report for further.

I responded to the Lincoln SUV traffic stop.

The passenger in the vehicle identified himself, with a California ID card, as Lee Allen Kuck [REDACTED].

After Peterson was placed in the backseat of Burley's patrol vehicle, I approached Peterson and asked him if the keys to [REDACTED] were in his possession. Peterson first began telling me that we were performing an illegal search of his vehicle and he did not consent to a search of his property.

I told Peterson that we had a signed Search Warrant for him and his property.

Peterson then stated the front door to [REDACTED] had a keyless entry.

I asked Peterson if anyone else was inside [REDACTED]. Peterson stated, "no."

I asked Peterson if Kuck could take possession of the Lincoln SUV. Peterson stated, "yes."

While out on traffic stop, I called dispatch to confirm Peterson's Ramey warrant. Dispatch stated that Ramey warrant was confirmed.

Peterson's blue Motorola smartphone was seized as evidence during the traffic stop. I completed a Field Property Receipt for the smartphone and later left a copy of the receipt at [REDACTED] at the conclusion of the warrant service.

After the traffic stop was completed, personnel responded back to [REDACTED].

**SEARCH WARRANT SERVICE:**

Peterson did not provide the passcode to the front door keyless entry lock at [REDACTED]

I along with the other personnel approached the front door to the residence.

I tried opening the front door handle and found it unlocked.

I knocked loudly on the front door and yelled, "Sheriff's Office, Search Warrant!" I waited approximately 5 seconds and loudly knocked on the house wall and again yelled, "Sheriff's Office, Search Warrant!"

I then used the front door handle and entered the residence along with the other personnel. No force was used in entering the house.

Personnel did not find any other persons inside [REDACTED]

Before conducting a search at the residence, I took several photographs, using my department smartphone, of the residence.

Personnel then began a search of the residence.

Taskforce Agent (TFA) Tolentino took photographs of evidence items, using an agency provided camera, as they were located by personnel.

During the search warrant service, the following items were taken as evidence:

- 1) Mail, addressed to Peterson at [REDACTED]
- 2) Package of blank certificates.
- 3) Notebook, Jot.
- 4) Peterson's business cards.
- 5) Tribal Court Order and Federal Court Order, 4 copies.
- 6) Notebook, Up&Up.
- 7) Notebook, Jot.
- 8) Letter to Peterson.
- 9) Samsung smartphone, black.
- 10) Samsung smartphone, gray.
- 11) Google smartphone, white.
- 12) Samsung smartphone, black.
- 13) Toshiba laptop, Satellite (broken hinge on right side).
- 14) HP laptop, Pavillion, B&O, silver.
- 15) Acer Laptop; Nitro 5, black.

I completed a Field Property Receipt for the seized items and left a copy at [REDACTED] Lane.

I also left a copy of the signed Search Warrant at [REDACTED]

TFA Tolentino took photographs of the residence after the search was completed.

I checked and locked all windows and doors to the residence just before leaving the residence. I used the interior side of the front door handle lock and locked the door handle before exiting the residence. Using the keyless lock pad, I deadbolted the front door to the residence. I then confirmed that the front door was locked.

I photographed the front door to show that no forced entry used.

Later I booked all items, seized from the search warrant, into a temporary evidence locker at the San Benito Sheriff's Office.

I uploaded photographs taken by myself and TFA Tolentino into the Sheriff's Office shared drive, under case number BG22-00803.

**INVESTIGATION:**

On 09/23/2022, at approximately 0959 hours, the **Victim Marlene Machado** [REDACTED] responded to the Sheriff's Office for a scheduled interview. The following is a summary of Marlene's statement.

**STATEMENT OF MARLENE:**

Marlene lived on the Indian Canyon property for approximately seven years. Marlene advised she was a Native person. Marlene stated when Ann Marie Sayers was removed from the Indian Canyon property by Kanyon Sayers (Ann Marie's daughter), a lot of things started to happen including Kanyon trying to remove Marlene from the property. Marlene stated Ann Marie was the one allowing her to stay on the Indian Canyon property because Ann Marie was in control of the property.

On 07/15/2022, Marlene stated Kanyon and the scam artist, who she identified as Cary Lee Peterson, along with personnel from the San Benito County Sheriff's Office, responded to Indian Canyon and contacted her. Marlene was made aware of Cary because someone had searched his name and found out his prior dealings with fraudulent acts. Marlene stated Cary was previously on the property in disguise when Kanyon and her group of friends forced Ann Marie from her home. Marlene also mentioned Cary's name was on a civil lawsuit against her which was thrown out in federal court.

Marlene was shown a document that was provided by Cary to Sheriff's Office personnel. The document was an "(Amended) Order of Restraint" from the "Tribal Court of the Costanoan-Chualar Indian Tribal Community of Indian Canyon". Marlene advised she recognized the document, and it was shown to her by Cary on the day they responded to Indian Canyon to evict her. In the document it claims that Marlene is a "non-Indian trespasser" and that she is restrained from the property. **(See document)** Marlene stated the Tribe is not federally recognized and that Cary is not a judge. Marlene was not shown a federal court order or any eviction paperwork. Marlene was only shown the restraining order with Cary's signature on it, documenting himself as the Chief Justice of the Costanoan-Chualar Indian Tribe.

Marlene was on the right-of-way road in her vehicle when Cary, Kanyon, and the Sheriff's Office personnel confronted her. Cary told Marlene she was no longer welcome by the Tribe, and she had 15 minutes to gather her belongings then needed to leave the property. Marlene called Cary out as being a scam artist and Kanyon had a worried look on her face after the comment Marlene had made. Cary told Marlene he is a licensed

attorney. Additionally, Sheriff's Office personnel told Marlene the Tribe was not allowed to discard her belongings for 15 days, but all her items were taken anyway. Cary also mentioned the property was on tribal land which Marlene stated was not correct. Marlene stated the land had been all broken up and the portion she was on was no longer tribal land.

Marlene had a recording of the incident. In the recording there is a dialogue exchange between Marlene, Cary, Kanyon, and Deputy Simpson. In the recording, Cary is heard telling Marlene that he has a federal and tribal court order for her removal, she is no longer welcome at Indian Canyon, and she has 15 minutes to leave the property. Cary told Marlene she was to relinquish any property of Indian Canyon over to Kanyon. Cary threatened that Marlene could either leave peacefully or if there were any problems, she would be placed under a private citizens arrest and the Sheriff's Deputies would take her to their authorities. Cary mentioned several times as a "courtesy" he would have Kuck take her belongings to a storage and would pay for the first month's storage fees.

Marlene pleaded for more time, and stated she never received any eviction notice or paperwork. Deputy Simpson reiterated that based on the tribal law she had 15 minutes to leave the property because tribal law was different than state law, and if she did not leave the property she could be arrested for trespassing. The recording was played during the interview and was captured on my BWC. **For full details on the recording refer to the BWC footage.**

Marlene was visibly upset while the recording was playing. Marlene felt as if she had no choice but to leave the property because she felt she would be arrested. Marlene stated she would have stayed at the property without seeing the court order and without the Sheriff's Deputies saying she would be arrested for trespassing. Marlene knew the court order had been dismissed and she didn't know why the Sheriff's Deputies were siding with Cary. Marlene also left the property for fear of being arrested because she would have no one to care for her dogs.

On 07/22/2022, Marlene was escorted back to the property by Sheriff's Office personnel. Marlene said her trailer was still on the property, but they had taken the trailer off the jacks and raised it up. Marlene advised after she returned to the property, Cary hired armed security guards and they would follow and harassed her on the property. Marlene said the security guards made her feel very uneasy because they had guns.

Marlene stated a man named Joey was in her area on the property when she returned. Joey told Marlene that Lee Allen Kuck was the individual who hauled out all her belongings. Marlene knew Kuck to be a felon, and he was living at the cabin on the hill. Kuck tried to enlist Joey's help with removing the trailer from the property, but Joey refused. Marlene said the small number of items taken to storage by Cary and Kuck were all broken. Marlene has yet to recover all her property.

Marlene estimated the cost of the eviction to her was around \$5,000.

Marlene also talked about an incident which took place on 04/23/2022. **Refer to San Benito County Sheriff's Office case #BG2200423 & #BG2200424 for full details.**

**End of statement.**

**INVESTIGATION CONTINUED:**

Marlene provided me a timeline of events, as described by her, which she typed on the note feature of her phone. I took digital photographs with my department issued iPhone. Later, all photographs were uploaded to the Sheriff's Office shared drive, under Patrol / Case Photos 2022.

I provided Marlene a case number for the incident and the interview was concluded.
