

# Staff Attorney – Native American Program

## Santa Ana, New Mexico

New Mexico Legal Aid (NMLA) provides civil legal services to low-income New Mexicans for a variety of legal issues including domestic violence/family law, consumer protection, housing, and benefits. NMLA has locations throughout the state including Albuquerque, Santa Fe, Las Cruces, Gallup, Roswell, Silver City, Clovis, Hobbs, Las Vegas, Taos, and Santa Ana.

The Native American Program (“NAP”) seeks a staff attorney to represent people living on or near any of the 19 Pueblos and/or Mescalero Apache Nation. NAP conducts most of its representation within the Pueblo courts of New Mexico, in many different legal areas that are subject to tribal and/or federal Indian law. We are a small, tightknit Program currently consisting of a secretary, a paralegal, and three full-time staff attorneys.

For decades, NAP attorneys have provided, and continue to provide, legal services in several jurisdictions, which include many Pueblo Courts and New Mexico state courts. The services we offer range from full in-court representation to brief services, and/or advice and counsel. NAP attorneys work on a variety of civil legal issues including family law, tribal housing, tribal employment, public benefits, consumer, and education law. Additionally, NAP is unique in that we also provide criminal defense representation and represent Respondent parents in abuse and neglect matters in the Pueblo courts. NAP attorneys may also be appointed to serve as a Guardian ad Litem. As part of our work, NAP attorneys often analyze jurisdictional issues and due process issues under the Indian Civil Rights Act. In addition to legal representation, NAP conducts outreach and various legal trainings to Pueblo and tribal communities and community partners.
