Project: AVCP Subsistence Advocacy Strategic Planning Continuation

Project Summary

The Association of Village Council Presidents Lands and Natural Resources Division's mission is to protect, maintain, and expand the freedom to control the relationship of our region's people to their natural resources, now and in the future. As part of our mission, we engage in subsistence advocacy on regional, State, Federal, and international levels.

We seek a facilitator to:

- Conduct situational analysis of the AVCP Natural Resources Program
- Identify and assess the strengths, weaknesses, opportunities, and threats of the Natural Resources Program
- Based on the assessment data, facilitate the revision and/or refinement the Natural Resources Strategic Plan
- Facilitate the development of goals and objectives of the Natural Resources Strategic Plan
- Facilitate the development of performance metrics – key indicators and outcomes that can serve as the basis for performance measures of the Program
- Provide recommendations for appropriate implementation measures for the Program
- Other project management, facilitation, or consultation services as may be needed by the Natural Resources Program

To Submit a Quote and Proposal

- A cover letter that explains your interest in and qualifications for the project.
- A general scope of work that includes a range for your hourly rate and/or projected monthly cost (average time commitment is 15 hours/month).

For questions and to apply, contact Jennifer Hooper at jhooper@avcp.org or (907) 543.7471. Proposals considered on a rolling basis; apply promptly for best consideration.
